# “Classroom is where the Nation’s future beholds” – Sudhakar Reddy

Telaangana & Andhra Pradesh Poorva Chhatra Sammelan  
organised in Bengaluru

Alumni of Sarswati Shishu Mandir schools of Telugu states (Telagana & Andhra Pradesh) who have settled in Bengaluru, got together on the special occasion of Sneha Milan Samaroh, at Jaigopal Garodiya Rashtrothana Vidyalaya, Kalyana Nagar, Bengaluru at 29<sup>th</sup> June 2019.

The programme began by lighting earthen lamps in front of “Bharat Maata Murtee” by guests and Acharyas of Sarswati Shishu Mandirs – Sri Lingam Sudhakar Reddy garu, Sri Ravula Suryanarayna garu, Sri Kotamraju garu, Sri Patakamuri Srinivasarao garu, Sri Hanumantha Rao garu, Sri Narsimhulu garu and Sri Harismaran Reddy garu. This was followed by Sarswati Vandana.

Nearly 130 ex-students and 20 children of their families, belonging

to many districts of Telangana and Andhra Pradesh regions assembled reminiscing the value based education that they received from their revered Acharyas which helped them immensely in succeeding in their life pursuits. Many of them are presently working as executives and leadership roles in top notch companies. Each ex-student got an opportunity to express his/her opinion regarding the formative education that they received during their school days. One could evidently see the joy and heartfelt gratitude while they were expressing the feelings towards their school. The discipline, patriotism, social values and ethics and above all the humanitarian principles were the key takeaways from ex-student’s speeches.

Addressing the alumni gathering, the keynote speaker Sri Lingam Sudhakar Reddy garu (Organising Secretary, Vidya Bharti Dakshin Madhya kshetra) said, “Classroom is where the Nation’s future beholds”. While observing about the present education system, Sri Sudhakar lamented that it is producing excellent doctors, engineers, lawyers, scientists, entrepreneurs, teachers and many more professionals but are they equipped to uphold human values and ethics, he questioned.

He added, on the other side, the parents are anguished when their child scores 5 marks less in Mathematics or Science or any subjects, but do not bother about child's behaviour towards their elders, be it parents, grandparents or other elders. What must alarm the parents is the child's behavior, than the 5 marks in regular subjects, because child can acquire many degrees but discipline and certain behavioral aspects can be corrected only in the formative years. The present schooling system does not provide the Samskar for children. It is the parent's duty to take care of child's overall development in their hectic schedule. Quoting Swami Vivekananda, "We want that education by which character is formed, strength of mind is increased, the intellect is expanded". Sri Sudhakar garu said, Sarswati Shishu Mandirs all over Bharat continues to stride in that path.

He stated that, it is incorrect to hyphenate "Education and Samskaras, as Samskaras minus the education is not an education at all, rather inherently same. Emphasising on need for a holistic growth of a child, he said, Samskaras play a vital role in formative years, and it is incumbent on us to impart the true values of humanity and Dharma to prepare today's children as tomorrow's World leaders and Thought leaders.

Talking about the Philosophy of "Vasudhaiva Kutumbkam" Sri Sudhakar ji emphasised that, while we can imbibe the technological advances from the west in tune with the times,

both the "National character and Individual character" are necessary for building a better future and wellbeing of Bharat, which has been the philosophy of Rashtriya Swayamsewak Sangh (RSS), the world's largest voluntary organisation from where Sarswati Shishu Mandirs' draw inspiration.

It was also informed that Sarswati Shishu Mandirs will be having its national Alumni meet at Sri Vidyapeetham, Bandlaguram, Hyderabad Bhagyanagar. on 29<sup>th</sup> December 2019. The alumni will be fortunate to listen to Rashtriya Swayamsewak Sangh's Sarsanghchalak Sri Mohanji Bhagwat who will be the key note speaker on the occasion.

The President of the Shishu Mandir Ex-student Association (Telangana & Andhra regions Poorva Vidyarthi Parishad) Sri Harismaran Reddy garu proudly cited many examples of our ex-student's contributions be it resources, monetary and their valuable time in helping our Shishu Mandir schools and encouraged ex-students to take small initiatives in strengthening value-based education for Sarswati Shishu Mandirs. Inspired by these speeches and initiatives by the school, many ex-students volunteered their time and resources.

Finally Sri Jagan Mohan presented vote of thanks to one and all for the success of the programme. Concluding the programme, Sri Girish Mandyala rendered Shanti-Mantra and Bharat Mata ki Jai.
