Annual General Meeting Held In Satna

The Annual General Meeting of Vidya Bharati was held in Satna from the 6th to 8th April 2018. The meeting was held at the Saraswati Vidyapeeth Residential School in the Utaili area of Satna in Madhya Pradesh. 317 members from across the country participated in this three day meet. Participants included members from all states, from far flung North East and Andaman and even Nepal.

These three days were a busy schedule for the participants. From morning, till evening 14 different sessions were held – some were common to all and some were area/subject wise.

Special attraction of the three day meet, were the several presentations made using PPTs and short films. Presentations on E-Pathshala and

how Vidya Bharati schools are becoming 'smart schools' attracted the attention of all. Similarly a presentation on the alumni portal which is being developed; on Skill Development & Vidya Bharati's role in this; on achievements by students in sports; on 'Atal Tinkering Labs' and how many of Vidya Bharati schools have been selected for this; on a survey in 26 states by 500 Vidya Bharati volunteers on 'The State Of Women In Society'; on 'System for Enrichment of School Quality', and on some other relevant subjects were made.

The meet concluded with a thought provoking talk by Sri Sureshji Soni, the Sah-Sarkaryawah of RSS.

Some 150 local volunteers were seen managing the show for three days. The special feature in the management was the active involvement of alumni of Vidya Bharati.

It may be mentioned here that an Annual General Meeting of Vidya Bharati is held in the month of April regularly. Last year this meeting was held in Amritsar, Punjab.

3-Day MEDIA WORKSHOP

Media as a medium of communication plays an important role in overall development of the society, by informing and spreading knowledge and creating awareness on various issues that are important for the society.

With this basic thought, Vidya Bharati has also been focusing on this and trying to procure information from the different regions. Specific persons have been designated to look after this work. Already, a number of publications are there, presence on the internet is also there and social media is being used.

To make our presence better and in a more professional manner, a three day workshop on **“Role of Mass Media and Communication”** was organized by Vidya Bharati from 28th April to 30th April 2018 in New Delhi. In the various sessions experts from the field were brought in to talk about the various aspects in detail. A visit to a local newspaper office and a TV news office were also visited to get an on the spot experience.

This was attended by 97 persons which included the Communication Chiefs (Prachar Pramukh), Correspondents, Magazine Editors and Prantiya Prabharis from different Prants.

There were a total of 13 experts from the media and our own seniors who conducted the different sessions and guided the participants.

The different sessions included were on Photo journalism, videography, social media, data mining, web publishing, panel discussions, debates etc. Some participants even got the opportunity to visit studios of Zee TV and office of the daily newspaper Punjab Kesari to get an on the spot training.

The concluding session was taken by Sah-Sarkaryawah Dr Manmohan Vaidya.

Results of various boards for the finals of 10th and 12th have started coming. We have been adding news/photos of the toppers in these exams on our website. Kindly visit <http://www.vidyabharatinri.org> for more information on our students achievements.
