*Support those who put  
India First*

The backbone of the society and the nation is undeniably the education system. Nurturing of young talents, focusing on their holistic development, ensues from a sound education system through extensive use of advanced technology. Schools today are exploring smart schooling technology to achieve this very objective. Vidya Bharati LMS's School Life cycle Management Solution is an integral part of this technology.

The application is designed and developed by the people with proven experience and in-depth understanding of education enterprise with

expertise in technology. Our mission is to help educational institutions in exploiting technology for efficient education delivery and make the journey of studying and teaching a pleasant experience.

We firmly believe in the quote from Leonardo Da Vinci "Simplicity is the ultimate sophistication" and all of our solutions are designed keeping this in mind. We also believe that teaming never ends hence always look forward to become knowledge partners with educators. Vidya Bharati LMS with more than 100s of comprehensive features is a diverse, demanding, and high

quality SCHOOL LIFE CYCLE MANAGEMENT SOLUTION where every stakeholder can discover and realize their potential to achieve overall development. Vidya Bharati LMS provides a platform for research, share and collaborate which makes the entire stakeholder fully informed under one ecosystem. With the bunch of exceptional features it has, we have changed the way school works and administrates its day to day operations. Teachers have more time to focus on educational activities rather doing more clerical work and also have managed to reduce their repetitive works. Students have 24x7 anytime anywhere access to various enriched multimedia content and also to the notes prepared by teachers. In simple words, it has simplified the management and teaching efforts and emerged as a smart solution for three-AGE schools. We promise quick and secure flow of information, fast response times and to deliver our solution that helps educational institutions to make their work easy and simple.

## **CENTRAL CONTENT REPOSITORY**

### **Share extra content**

Schools are blessed with talented teachers who are focused in finding new methods in teaching and always find innovative techniques / idea to impart their knowledge among the students, but all those ideas and technique are restricted to the students whom they are teaching and other students studying in the similar class are deprived of such knowledge.

We at Simplified Schooling have created a module to build a School Content Repository enabling teachers to share their ideas and techniques with the students and other teachers.

With this module teachers can post their notes, worksheets, presentations, videos, etc. At even school we have Academic or Subject Matter Experts who approves these contents and latter can be accessed by masses. Apart from the reference videos that are prepared by Simplified Schooling. We also provide feature to embed learning content from various other sources like YouTube. Khan academy, etc. all these can be shared with the students,

eventually helping them to understand the topic thoroughly.

## **ADVANTAGES OF VIDYA BHARATI LMS**

### **ACCESS ANYTIME ANYWHERE 24x7**

With Vidya Bharati LMS you are connected anytime, anywhere, 24x7 all you need is an inter, connection. Vidya Bharati LMS runs on Desktop PC. Laptop, Tablet and Smart Phones.

### **GREATER RELIEF**

Vidya Bharati LMS provides a greater relief to school owners, principals, coordinators, teachers, students and parents to enhance their performance. Ability to manage complex activities with ease using the user friendly interface and collaboration tools, leads to better enhancement of the school.

### **REDUCE REPETITIVE WORK**

Vidya Bharati LMS prevents overheads, repetitive work and provide teachers with more time to focus on teaching and constructive activities. We ensure that the teachers have all the tools needed to effectively building a solid overall performance of students along with their own career growth.

### **ROBUST FRAMEWORK**

Vidya Bharati LMS provides reliable framework to ensure that network outages do not hinder day activities and data flow.

### **ANALYTICS**

Vidya Bharati LMS generates various reports that are useful to the management. Any specific re can be customized as per client requirement.

### **ON CLOUD PLATFORM**

No Cap Ex, no extra hardware or technical knowledge is needed to implement Vidya Bharati LMS. All you need is internet connection and basic computer knowledge.

### **SECURE**

Vidya Bharati LMS is designed to operate at a high level of security that could be customized to meet your needs. Vidya Bharati LMS has strict security measures and prevents data loss. Unauthorized access and misuse of stored data and other resources.

### **SOME MORE ADVANTAGES:**

Streamlines all the process. Increase productivity and enhance efficiency. Reduce work load. Tracking all the process is simplified.

Highly developed communication is facilitated. Easier and compatible data handling. No extra maintenance cost. Reduce paper work. Strengthens relationship with all.

## HI-TECH STUDIOS

The Center has state-of-the-art 4k cameras with the help of which the teachers can interpret the create.1 lesson presentation on a super smart interactive touch screen board in detail in a quiet and secluded environment.

Each speaker/ trainer has been provided with a separate high sensitive mic with the help of which flu. Can record their thoughts in clear voice without any hindrance.

A large-size TV is placed in front of the super smart interactive touch screen board, on

which 11, speaker/ trainer can review the recording as well as how it looks while explaining the subject. An, whether its speech is clear.

A super server has been used for data collection of recorded videos. Which neither reduces the sound quality of the video nor causes any generation loss in picture quality. The five hi-tech well illuminated studios are equipped with 4k cameras. Smart boards. Desktop, CPUs. LEDs. And soft lights for focus out of which one is advanced for live streaming with high definition switchers making it Distinct with its high quality live broadcasting facility.

**I**ndian Youth Leader and Vidya Bharati Alumni Parvati Jangid wins Republic of Women Presidency (World's First Borderless Digital State, representatives in 120+ Countries, 10K members).

With the outstanding cooperation and voting from 120+ countries (Held between 10-25 February, 2021) The Republic of Women – Beauty on Earth Awards have become The Highest People's Choice Independent Honour in UN Countries. Parvati Jangid Suthar, United Nations Volunteer was elected the 1st president of the Republic of Women (The World's First Borderless Digital "State" for Women- by Women to Lend a Voice to Millions of Women). She won with 882 Electoral Points.

She is also the only civilian awarded by the Indian Border Security Force (BSF) on Golden Jubilee Celebration. A nationalist at heart, she has immense respect for the soldiers who are the custodians of borders. In the Puranas, Parvati is

considered to be the sister of Lord Vishnu – our Parvati happens to be the sister of soldiers. On every Raksha Bandhan, she visits the soldiers to tie Rakhis on their wrists to make them feel special. Parvati, a border guard who traversed the entire land frontier of the country, inspired the residents of the border area that we citizens are the second line of defence, the first being our security forces. She invoked upon the citizens to be alert at every moment to thwart the evil intentions of the divisive forces at work. Parvati advocates better communication and coordination between the soldiers and civilians to bridge the gap between the two.

## Smt. Dicky Doma Bhutia Presented Krishnachandra Gandhi Award

**T**he Krishna Chandra Gandhi Award is being conferred by the Northeast Tribal Education Committee since the year 2007 to the activist or organization for providing outstanding services in the field of education and other developmental work in tribal area.

The first school of Vidya Bharati was established, as a result of the broad idea, tireless hard work, and perseverance of late Krishna Chandra Gandhiji. Late Gandhiji increased the spread of education in the tribal society and forest areas of Northeast India at a rapid pace, made many plans for this, and to make them tangible, spent 25 years of life in this area. He visited the Northeast several times to educate the public, inspiring workers and donors by motivating them for charity. He became the torchbearer of education and established institutions from primary to college level. This award, ornamented in the name of late Krishnachandra Gandhiji, is the highest honour for the worker and provides inspiration as well as energy to other workers. Since 2007, 14 outstanding social workers have been given this award.

This year the award ceremony was held at the Jubilee Hall of the Regional Institute of Medical Sciences in Imphal, the capital of Manipur. General Secretary of Vidya Bharati Akhil Bhartiya Shiksha Santhan, Shriram Arawakar Ji lit the lamp and inaugurated the program. The Chief Guest at the Awards ceremony was Manipur Assembly Speaker Y.V. Khemchandra Singh, Guest of Honour was Education Minister S.K. Rajen Singh and the keynote speaker was Akhil Bhartiya General Secretary of Vidya Bharati Shriam Arawakar. Akhil Bhartiya Secretary of Vidya Bharati and North Eastern Region Organization Secretary, Brahmaji Rao, Joint Organising Secretary Dr. Pawan Tiwari, North East Tribal Education Committee Chairman Sada Dutt, Secretary of the Committee Sanchiram Paeng, and Joint Secretary Pranjit Pujari were also present.

Krishnachandra Gandhi Smriti Puraskar of this year, was presented to Smt. Dicky Doma Bhutia for the year 2020. She actively participates with organizations like Kalyan Ashram, Bharat Scout and Guide to work in the field of educational and other social work. She has worked as a mother for the society, gave guidance as a teacher, and worked as a sister to fulfill the needs of people.

A cultural-traditional dance was performed by the students of Bal Vidya Mandir at the award ceremony. Dr. Pawan Tiwari

introduced the guests. Secretary of Education Development Committee Manipur, Dr. M. Chaurajit Singh welcomed the dignitaries present at the function. Vidya Bharti Northeast Region Organization Secretary, Brahmaji Rao, while giving the preamble speech, threw light on the life of Karmayogi revered Krishnachandra Gandhi. Addressing the dignitaries present at the function, the Akhil Bhartiya General Secretary of Vidya Bharati said that India has to make 'sanskrit' students, students with ethics and values, through education by Vidya Bharati. He said that Vidya Bharati runs schools in mother tongue medium across the country. Chairman of Education Development Committee Y Khagen Singh presented the vote of thanks.

## “Vidya Bharati Schools

More  
Than  
Two  
Decade  
of  
Quality  
Education  
:  
Sankardev  
Shishu  
Vidya  
Niketan,  
Beltola,  
Assam

**L**ocated in the bustling city of Guwahati in the northeast Indian state of Assam, Sankardev Shishu Vidya Niketan, Beltola, is a peaceful oasis of quality education. Established in the year of 1994 in a rental building with mere 10 to 12 students, the school has grown exponentially over the years.

Built on approximately 2 bigha land, the four storeyed school has come a long way since its humble beginnings. Presently more than 760 students receive their education from 39 teachers in the school. The classes range from 'Ankur' to class 10 and follow the curriculum of Assam Board of Secondary Education. The

education provided the school, principal, Sri Parameshwar Barpujari ji proudly stated that in the year 2005, one of the students, B. Sharma gained 20th rank in the state in the 10th board examination and has become a successful doctor. Another student, Manas Pritam Ghosh, ranked 10th in the state in the year 2013. Presently he is working as a lecturer.

Following the main motto of all Vidya Bharati schools, all the students receive not only quality education but also are encouraged to participate in extracurricular and social service activities. Sports, cultural events and science exhibitions are part and parcel of the school curriculum.

institution has all the required facilities such as computer and science labs, well stocked libraries and an upcoming mathematics lab.

While talking about the high quality

The students are groomed to be socially responsible from their early childhood and taught through exemplary activities. The school frequently organises blood donation camps where alumni, teachers and parents all participate enthusiastically. Few years back on the occasion of silver jubilee of the school, a similar blood donation camp was organised, which received the highest donation of blood units from a single camp in the

entire Guwahati area.

During the recent Covid 19 related pandemic, the school along with the alumni made arrangements to distribute more than 2000 packets of food and essential commodities among the neighbouring needy families.

When asked about any problems faced by the school, Sri Parameshwar Barpujari ji stated that there is always scope for improvement. In the future they want to provide better lab facilities for the children, as well as constructing an auditorium, so all students can

attend their morning prayers together. But in spite of all constraints the school has received immense support from the guardians of the students as they feel that their children can grow into ideal and socially responsible citizens only under the guidance of the school.

### Inspired By His Teachers at School, This Vidya Bharati Alumnus Volunteers His Time to Prepare Needy Students for Competitive Examinations

**D**r. Durgesh Nandan, an alumnus of Saraswati Vidya Mandir, Shahpur Patori, grew up in a modest way. In spite of a financial crisis at home, his parents never compromised with his education. He was always a bright student at school which led him to complete his B Tech degree in Electronics and Communications Engineering, and MTech and PHD in Very-large-scale integration (VLSI). Presently, Dr. Durgesh Nandan works as an account manager research consultant at CL Educate Ltd.

After completing his B Tech he started working as a lecturer in an Engineering college. It was during this time that Dr. Nandan realized that in order to excel in the teaching field he needed to enhance his knowledge and decided to pursue MTech and then PHD. He taught as an Assistant professor and Head of department in the Department of Electronics and Communication Engineering, IASSCOM Fortune Institutes of Technology. He also served as a Guest faculty under SMDP-C2SD and as a Research Mentor in the Department of E.C.E., NIT, Patna.

He founded the prestigious “JSS fellowship” by Jay-Prakash Sewa Sasthan. He has authored and co-authored more than 89 papers, which was published in SCI, Scopus and peer reviewed international journals and conference proceedings. He has been awarded “Young Personality of the Year Award (Below 40 years)” in 2019 by International Academic and Research Excellence Awards (IARE-2019) and “I2OR Preeminent Researcher Award 2019” for remarkable contribution in the field of VLSI & DSP by International Institute of Organized

Research.

Dr. Durgesh Nandan regularly mentors students who want to do engineering. During the lockdown period he has trained over 1000 students for competitive examination. His passion to help the needy by leveraging technology has led him to start a non profit organization called Bio Netricia Foundation. Through this initiative Dr. Nandan offers training to farmers to elevate farming. He is also working towards developing low-cost equipment to make farming profitable and easy.

His biggest inspiration is the teachers of his school. “I was always guided by my teachers. They would visit our home and speak to our parents about our progress in studies”, mentions Dr. Nandan. He also adds, “Vidya Bharati has organized a scholarship test where students from various schools of Bihar had participated. I too had taken the test and earned a scholarship, which helped me during my higher education”.

Dr. Durgesh Nandan still visits his school whenever he gets time. He always feels grateful towards his teachers and extends help related to education of students currently studying in his school.

## Praveen Shukla, a Vidya Bharati Alumni, Feels His Life Is Dedicated For the Development of the Society

**S**ri Praveen Shukla is an alumnus of Sarswati Shishu Mandir Dongargarh. He has studied in Shishu Batika and then again joined the Vidya Bharati School in 11th and 12th standards.

He is currently associated with Sri Hanuman Bhakt Yuva Samiti, an organization which works towards social welfare by taking care of cows, helping people in need, organizing religious festivals and blood donation camps. He is also a member of AVBP.

During the hard times of lockdown due to Covid 19 pandemic, Praveen along with other members of the organization had worked relentlessly to ensure no one is deprived of health service.

“While I was in school, I had taken part in various activities of social welfare organized by my school. It was from my school that the feeling of giving back to the society

grew in me and I decided to dedicate all my life to help those in need”, said Praveen Shukla.

Dongargarh celebrates Krishna Janmashthami in a grand way. Praveen not only loved to participate in the celebration but also actively organizes Krishna Janmashthami Jhanki in several places of the city along with organizing several prominent Hindu festivals.

“Organizing these festivals is important for the society. It helps in bringing people together and helps them to express devotion to the deities”, Praveen adds.

Praveen has a younger brother, who is preparing for police service and a younger sister, who is preparing for IAS examinations. All the three siblings are alumni of Sarswati Shishu Mandir Dongargarh.

Apart from his service towards the society, Praveen takes keen interest in painting. While he was in school, he liked painting more than studying. His teachers always encouraged him to do what he loved the most, which has certainly helped him to gain confidence in life.

## “Vidya Bharati In Media

**Geeta  
Vidyalaya  
Alumni  
Council  
was  
honored  
by  
Amar  
Ujala**

**G**eeta Vidyalaya Alumni Council was honored by Amar Ujala newspaper and Chaitanya Career Counseling Kurukshetra for the social work done during the Covid period. In the Covid period, when there was fear everywhere, the students of Vidyabharti Alumni Council Haryana for 56 days continued with Geeta Shiksha Abhiyan (book and stationery distribution to needy children), Geeta Arogya Abhiyan (free medicine distribution), Mata-Pita Helpline and Guru Dakshina (home remodel for former teachers). All alumni were awarded for their social service.

Alumni Sri Ashok Rosha, Sri Jungbahadur Singla, Sri Sanjay Choudhary, Sri Kuldeep Chopra, Sri Ranjan Sharma were honored on behalf of all the alumni living in the country and abroad. Dr. Satish Kumar, Director, NIT and Sri Himanshu Garg, Superintendent of Police, presented the memento.

**DNA  
Exclusive:  
Missionary  
vs  
Vidya Bharati  
Schools,  
Comparison  
and Their  
Contribution  
in Nation  
Building**

**S**udhir Chaudhary (Editor in Chief of Zee news) had taken the Vidya Bharati story in DNA (Prime Time show). He Revealed, in 1952, RSS opened the first school at Uttar Pradesh's Gorakhpur. The education wing of the RSS Vidya Bharati was founded in 1977.

Gradually schools were opened in every state and city. Today, 12,850 schools are being run in India under Vidya Bharati. A total of 30,000 educational institutions are functioning, including 49 colleges and schools.

Around 80,000 Christian and Muslim children are also studying in these schools. Since 1952, more than 1 crore children have been taught in Vidya Bharti's schools. Looking at the

big picture, children from Vidya Bharati schools are growing up to become policymakers. They have reached the level where they can take decisions for the family and for the country while holding important.

This is the reason why nationalism is being talked about in India that policies are being made to study in the mother tongue. This has not happened suddenly, rather it is the result of a long wait and effort.

## Seoni's promising engineer launches electronic scooter in the market

**E**ngineer Aditya Tiwari (27-year-old), an alumni of Vidya Bharati, launched India's cheapest electronic scooter which will run at a cost of just 20 paise per kilometer. Aditya Tiwari, founder and CEO of Incubated Startup Galleos Mobility Industrial Society has built India's cheapest internet-connected scooter

at the Indian Institute of Technology (IIT) Delhi. Booking has been started for Delhi NCR region. Considering the demand in Delhi, this scooter will be available for other cities of India by the month of June.

The scooter model has been launched under the name "Hope". Aditya Tiwari said, that in an effort to curb the country's water-air pollution, there is a great need for pollution-free vehicles. With this inspiration, 3 years ago, we started Galleos Mobility. In this direction, Hope Scooter is our first accredited scooter ready for sale in the market. Besides being economical, the scooter has been kept in the exemption category by the government from traffic registration and driving license. This scooter is an electronic vehicle running at a speed of 25 kilometers per hour, with running cost of only 20 paise per

kilometer. The price of Hope is currently ₹ 47,000 only. The scooter is equipped with a portable charger and portable lithium-ion battery. The battery can be fully charged in 4 hours by the normal electricity of the house. There is an option to choose from two different types of batteries running 50 km and 75 km on one charge, as per one's need. The scooter can also run with the pedals, if needed.

Aditya is an alumni of Saraswati Shishu Mandir, Bhaironganj Seoni.

**BVN Palakkad :** G. Thulasidas student of Vyasa Vidya Peethom, Kallakked secured Gold Medal in 50 meter Rifle prone junior category held by Kerala state Rifle Association

**VB Punjab:** Niraj Kumar, alumni of Vidya Mandir Talwara, Punjab, has won a gold medal in the 50m rifle 3 positions men's team event of the ISSF World Cup beating the USA 47-25 in the final.

**BVN Kasaragod :** Abhijna (Class-5) and Koustubh (Class-6) of Shree Lakshmi Venkatesh Vidyalaya Kasaragod secured first place in State level online Yoga competition conducted by National Yogasana sports federation and selected for National level competition.

Education can change the world...
