# Akhil Bharatiya Karyakarini Baithak – 2025

Rajasthan Kshetra

Mount Abu (Rajasthan): The Akhil Bharatiya Karyakarini Baithak of Vidya Bharati Akhil Bharatiya Shiksha Sansthan was held from 12 to 14 September 2025 at Adarsh Vidya Mandir, Shankar Vidyapeeth, Mount Abu (Rajasthan) under the chairmanship of Dr. Ravindra Kanhere, National President.

## Educational Centres Should Be All-Encompassing and All-Touching

In his inaugural address, Shri Gobind Mahant ji, Organizing Secretary, said that the work being done through Vidya Bharati's formal and informal educational centres must become all-encompassing and all-touching.

He emphasized that:

- Implementation of the National Education Policy (NEP) 2020 should be accelerated.
- All tasks identified under the Sangh Shatabdi Year should be completed on time.
- Continuous updating of every educational dimension is essential.
- The revised foundational curriculum should be implemented effectively with collective cooperation.

## Students Must Grow as Compassionate, Cooperative, and Courageous Individuals

Dr. Krishna Gopal ji, Sah-Sarkaryavah, Rashtriya Swayamsevak Sangh, highlighted that the Vidya Bharati movement has now reached 86% of India's districts, marking an impressive achievement.

He stated that—

- Coordinated efforts are needed to ensure that Vidya Bharati's work reaches every region.
- Through more than 13,000 schools, 4 million alumni, and over 20 million families, the message of values and culture is reaching a vast section of society.
- India's goal is spiritual in nature—our country holds the key to guiding the world.
- The concept of the Panchakosha (five sheaths) is deeply meaningful; the Anandmaya Kosha (the blissful sheath) can develop only through spirituality.
- Teachers should share spiritual wisdom through stories, examples, and cultural narratives.
- Every child should become loving, cooperative, and resilient in facing challenges.

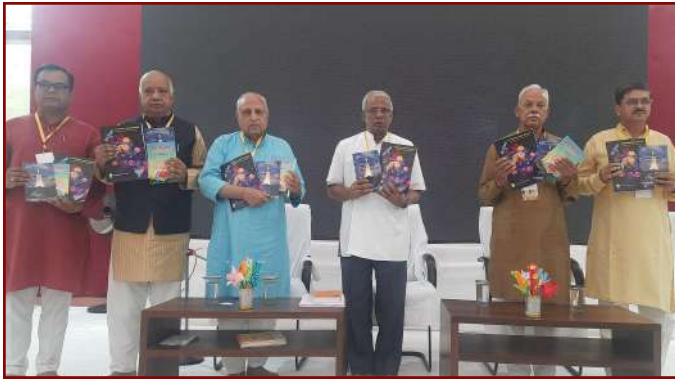

## Education Is a Continuous Process

The chief guest, Pujya Swami Swayam Prakash Giri Maharaj, said—

- Yoga was born to develop the Annamaya and Pranamaya Kosha.

- True spiritual advancement is possible only when mind and intellect are strengthened by dharma.
- The Panchakosha concept finds its roots in the Vedas; without adherence to dharma, spirituality cannot be achieved.
- Education should be measured not merely by knowledge but by spiritual and moral growth.
- True education is the process of understanding the meaning of the mantras and living accordingly in daily life.

# Panchpadi Learning Method Practice Workshop

Poorvi UP Kshetra

## The Panchpadi Teaching Method is Based on the Philosophy of Indian Education: D. Ramakrishna Rao

Gorakhpur: A two-day “Panchpadi Learning Method Practice Workshop” was organized by Vidya Bharati at Saraswati Shishu Mandir, Pakkibagh.

Selected trainees from two regions — Eastern Uttar Pradesh and North-Eastern Region (Bihar and Jharkhand) — participated in the workshop.

On this occasion, Vidya Bharati Vice President D. Ramakrishna Rao said that the Panchpadi Learning Method is an innovative and scientific teaching approach based on Indian educational philosophy and psychology. This method focuses on transforming students from passive listeners to active participants, thereby fostering lasting knowledge, practical skills, creativity, and a spirit of social service. The Panchpadi Learning Method structures the learning process in five stages, emphasizing inquiry-based learning, which is especially effective for STEM (Science, Technology, Engineering, Mathematics) as well as general education.

Vidya Bharati’s Organizing Secretary, Gobind Chandra Mahant, said that the Panchpadi method draws inspiration from the ancient Indian knowledge tradition and is recognized as significant in the National

Education Policy 2020 (NEP-2020) and the National Curriculum Framework 2023 (NCF-2023) for promoting value-based education rooted in Indian knowledge systems. The method encourages the holistic development of students through the five sheaths (Pancha Kosha) — Annamaya, Pranamaya, Manomaya, Vijnanamaya, and Anandamaya Kosha (physical, vital, mental, intellectual, and spiritual), ensuring their all-round growth. Vidya Bharati schools across the country are increasingly adopting the Panchpadi Teaching Method, and teachers are being trained through various specialized programs.

Earlier, guests were introduced by Ram Singh, Kshetriya Nirikshak, Shishu Shiksha Samiti, Gorakhpur Prant.

A vote of thanks was proposed by Dr. Shailesh Kumar Singh, Prantiya Secretary, Vidya Bharati, Gorakh Prant, and the session was conducted by Govind Singh, Prantiya Training Head.

## Foundation Stone Laid for Basahwa SVM

**SVM, Basahwa to Become a Centre for Nurturing Responsible Citizens: Yogi Adityanath**

Poorvi UP Kshetra

Basti | UP CM Yogi Adityanath laid the foundation stone for the proposed building of SVM Sr Sec School, Basahwa, a new campus of SVM, Rambagh. Considering the growing number of students, the new campus is being established in a peaceful environment outside the city. The Chief Minister also performed the Bhoomi Pujan and planted a Harishankari sapling.

In his address, the Chief Minister said that education is the foundation of a nation's strength, self-reliance, and prosperity.

He added that Vidya Bharati schools, through education rooted in the Indian system, are instilling a sense of duty and nationalism among children.

"This is not merely the foundation of a school building, but the establishment of a new centre dedicated to shaping capable and responsible citizens of India," he said. Referring to the journey of Saraswati Shishu Mandir, which began in 1952 in Gorakhpur with just five students and has now expanded to over 12,000 schools, the CM praised its remarkable growth.

Highlighting Prime Minister Narendra Modi's vision of a Viksit Bharat and the Panch Pran pledge, he emphasized that education, health, agriculture, skill development, and environment form the core pillars of holistic national development.
