**Chennai:** Three books on social science were presented to the Hon'ble Prime Minister Shri Narendra Modi by Vidya Bharati Akhil Bharatiya Shiksha Sansthan and Chinmaya Yuva Kendra. These three books have been prepared according to the National Education Policy 2020 for the students of classes VI, VII, and VIII. These books are being adopted in about 25 Vidya Bharati schools and 5 Chinmaya Vidyalyayas in Chennai from the academic year 2022-23

The social science books for classes VI, VII and VIII prepared by Vidya Bharati and Chinmaya Yuva Kendra were presented to the Prime Minister during the one-day visit of Prime Minister Shri Narendra Modi to Chennai. These three books have been published under the title Radiant Bharat, Resilient Bharat, and Resurgent Bharat respectively. Special provision has been made in the National Education Policy to include regional material in social science books. Keeping this in mind, adequate space has been given to regional material in the Social Science books published for classes VI, VII and VIII.

Vidya Bharati North Tamil Nadu and Chinmaya Mission, Chennai conceived a project to undo this situation by rewriting the history to bring out the truth and present the history of India to the students who if inspired by their ancestors will grow a sense of pride. In 2019, there was a preliminary discussion on this subject between the representatives of Vidya Bharati and the Head of Chinmaya Yuva Kendra Swami Mitranand Ji. At that time a reference had also come to the fore that provision has also been made for the inclusion of regional material in Social Science textbooks in the National Policy on Education.

As a follow-up, a formal meeting was held under the chairmanship of Swami Mitranand Ji, Head of Chinmaya Yuva Kendra, Akhil Bhartiya President of Vidya Bharati, Shri D. Ramakrishna Rao, Kshetra President Shri T. Chakraborty, and other representatives.

In compliance with the decision taken in this meeting, teams of principals, education officers, history teachers, and volunteers of Vidya Bharati and Chinmaya Mission were formed. Among them, 70 teachers of Vidya Bharati and representatives of 30 Chinmaya Mission schools were involved. These teams after two years of research, writing, editing, and designing, developed Social Science books for classes VI, VII, and VIII respectively titled Radiant Bharat, Resilient Bharat, and Resurgent Bharat. Before finalizing the books, Swami Mitranand Ji went through each page and word and suggested necessary improvements. In preparing the three textbooks, Vidya Bharati's alumni Head Shriram Ji made an invaluable contribution. These books were released in a grand ceremony at the Chinmaya Heritage Center in Chennai last April. On this occasion, historian Vikram Sampath, author and filmmaker of two volumes on VD Savarkar Vivek Agnihotri, Vidya Bharati South Central Zone President Uma Maheshwara Rao and Vivekananda Educational Society President N. Gopalaswami etc. were present.

**Authentic and India-centric  
History Narrative Required**

In fact, from the colonial days, school students were taught about the history of India in such a way that our ancestors were ridiculed as forest dwellers. The historical narrative was from the point of view of the invaders and colonists and it hardly accepted the millennia of enthusiastic resistance put up by the brave hearts of India. By praising the invaders and pushing the native

kings into darkness, a defeatist sentiment has been created in the minds of the young readers. Authentic and India-centric historiography was being demanded since our independence. Unfortunately, the post-independence political leadership and academics failed to reverse the historiography and continued the history of India with its colonial details.

## Two-days Akhil Bharatiya Meet 2022 of Prachar Vibhag held at Jaipur

- **Keep all the Karyakartas of Prachar Vibhag aware of the work of Vidya Bharati: Shri Avneesh Bhatnagar**
- **Our work not only to run the school but also to influence the education sector: Shri Sudhakar Reddy**
- **The purpose of the Prachar Vibhag is to spread the idea of Bharatiya Education to the society: Shri Shiv Prasad**

**Jaipur:** Vidya Bharati has set up the Prachar Vibhag to take the ideas of Bharatiya education to society. We don't work for personal fame. It is our objective to tell society about the idea of Bharatiya Education and the successes, results, and effective work of Vidya Bharati. These views were expressed by the Zonal Organizing Secretary, Rajasthan Shri Shiv Prasad in the inaugural session of the Akhil Bharatiya Meeting of Vidya Bharati Prachar Vibhag, which was held at Sevadham Complex, Jawahar Nagar, Jaipur from 30th April to 1st May 2022. Prabhari of Vidya Bharati Prachar Vibhag, Shri Sudhakar Reddy said that it is not our work to run the school only, it is also our work to influence the education sector. General Secretary of Vidya Bharati, Shri Avnish Bhatnagar told that the Karyakartas of Prachar Vibhag should know what goes on in Vidya Bharati. It is our task to bring the issues of Vidya Bharati's specialty to society. If the idea is liked, society will also accept it. To increase our work, adding new Karyakartas to the team, continuing the process of teaching-learning, and thinking about where our work will reach by 2025 according to the needs of the prant, should be planned soon.

Akhil Bharatiya meeting of Vidya Bharati Prachar Vibhag was held in eight sessions.

## An insight of the discussion in Eight Sessions

During this, information and review of activities going on in different Prants, news mining and analysis, content dissemination, content audit, cyber laws, YouTube algorithm, video content creation, the organization at the system, National Education Policy, and the role of Prachar Vibhag on Amrit Mahotsava were specifically discussed. Apart from this, various karyakartas guided the participants on topics like expectations from the prants, information about "Ashta Bindu Yojana", "Archive System" at the state level, and "Crowd Sourcing". For hands-on practical experience, the participants were taken to the offices of Dainik Bhaskar, Rajasthan Patrika, and Mahanagar Times. An exhibition was organized at the

meeting place to disseminate the life & works of freedom fighters of Jaipur district.

On this occasion, Zonal Joint-Organizing Secretary of Rajasthan of Shri Govind Kumar, Zonal President of Rajasthan Shri Bharat Ram, Joint-Organizing Secretary Delhi and Prachar Vibhag Central Team member, Shri Ravi Kumar, Zonal Joint-Secretary of Rajasthan Shri Prem Singh Shekhawat and Shri Ashok from Vishwa Samvad Kendra, Jaipur were especially present. 73 Karyakartas representing 31 Prants from 10 out of 11 Zones across the country were present in the meeting. It is noteworthy that the annual Akhil Bhartiya meeting of Vidya Bharati Prachar Vibhag is being held for the last five years. In this meeting, the Prant Prachar Pramukh, Prant Samvaddata, and Prant social media Pramukh participated.

## National Symposium on Computer Science/IT in the Enlightenment of Indian Knowledge System

### Adopt Value-Based Education model for holistic development- Prof. Reddy

**Kurukshetra.** Department of Computer Applications NIT, Kurukshetra and Vidya Bharati Uchcha Shiksha Sansthan, Noida (UP) jointly organized a two-days National Workshop on "Computer Science/IT in the enlightenment of NEP 2020 and Indian Knowledge System" on 25-26 May 2022. In the inaugural session, NIT

Kurukshetra Director Prof. B. V. Raman Reddy said that the National Education Policy is based on sustainable development. We have to revisit our ancient knowledge and find out how it can help in the advancement of our technology sector for sustainable development. Prof. Reddy emphasized a value-based education model instead of a result-based education model for holistic development.

In the first session of the workshop, Professor Girish Nath Jha of JNU Delhi spoke on Panini's Grammar and Computer Science. In the second session, the role of the National Education Policy in computer education was given by Professor Ashutosh Kumar Singh, Head of the Department of Computer Applications. The third session focused on the Adoption of IKS in Computer Science Books which was discussed by Dr. Lalit Mohan Goel, YMCA Faridabad.

In the workshop on the second day, Dr. Aparna Lalingkara, Mathematician and Educational Technologist stressed the need to update

computer science books. Dr. Gajendra Pratap Singh Associate Professor, JNU Delhi spoke on the difference between the Pingala system and modern systems and how attempts to understand the Pingala system could accelerate the development of Indian Vedic Mathematics in computers. Anirudh Singhal, Robotic Engineer, TCS explained how Vedic philosophy can

help to solve the problem of the new world. He said when the quadratic logic is no longer valid how can the Vedic logic system i.e. tri-value or multivalued be used to investigate such problems.

The Open House Discussion was presided over by Prof. Binod Kumar Kanojia, Director, NIT Jalandhar.

## LIKE FATHER, LIKE SON

**Father Does the Hard Work Of Laying Marble Tiles, Son worked hard to become Second Topper Of Bihar Board**

**Bihar:** Bihar Board of Secondary Education has recently declared the result of the Xth board exam. Earlier it was believed that due to the Corona pandemic, this time the results will not be very good, but to everyone's surprise, this time it was exhibited how one can achieve the goal even in the absence of resources. Pawan, who belongs to a poor family, has secured the second position in the Bihar Board examination by securing 483 marks out of 500. Pawan's father Nandlal Moti is a marble tiles laborer and his mother Babita Devi is a homemaker. Pawan never let poverty dominate on the strength of his hard work. When Pawan's father came to know that his son had secured the second position in the Bihar Board

examination, he puffed up with pride. The villagers came home and congratulated Pawan and his family.

**Pawan yearns to become an IAS officer.**

He wants to serve the country. He received his early education from Saraswati Shishu Mandir, Pandarak. After this, he took admission in Vidya Mandir, Purnea.

## Sanskriti Bodh Pariyojna Akhil Bharatiya Workshop

**Role of Culture in Shaping Student's Life: Shri Shreeram Aravkar**

**Kurukshetra:** Inaugurating the three-days Sanskriti Bodh Pariyojna Akhil Bharatiya Workshop organized at Vidya Bharati Sanskriti Shiksha Sansthan, Akhil Bharatiya Joint-Organizing Secretary Shreeram Aravkar Ji said that the knowledge of Bharatiya culture should be inculcated in children throughout the student's life. He said that Sanskriti Gyan Parishad is organized across the country. Even after the circumstances were not favorable for the last two years,

9 lakh students participated in the Pariksha last year. Apart from this, parents and society also got an opportunity to know various aspects of Bhartiya culture, which was organized in the form of Praveshika. In this 1.5 lakh teachers, parents and other sections of the society participated.

In the workshop, the question paper for the Akhil Bhartiya Sanskriti Gyan Pariksha and the Sanskrit Both Quiz to be organized for the Sanskriti Mahotsava were drafted. Vasudev

Prajapati, the Joint-secretary of the institute, gave information about the necessary key points to prepare the question paper and prepare the questions for the Sanskrit Gyan Pariksha. Durg Singh Rajpurohit, the national convener of the Sanskriti Bodh Project, started the work of making question papers and question forum by forming groups according to the categories of all the participants (Shishu, Baal, Kishore, Tarun). 59 academicians from different states participated in the workshop.

## Uttar Pradesh Chief Minister Yogi Adityanath attended an event organized by Vidya Bharati

**Lucknow:** In a program organized by Vidya Bharati Purvi Uttar Pradesh under 'Azadi Ka Amrit Mahotsava' on May 19, 2022, Chief Minister Yogi Adityanath said that Vidya Bharati is doing the work of imparting cultured based Education which is full of nationalism. Today, in the country thousands of educational institutions of Vidya Bharati are working to provide quality education to the present generation without any discrimination. Vidya Bharati is also giving honor to the immortal sacrifices by joining the campaign of 'Amrit Mahotsava Varsha'. The Chief Minister said that Vidya Bharati was started in 1952 in Gorakhpur itself. Vidya Bharati's first Shishu Mandir was in Gorakhpur. The school is still working to produce patriots.

## Social worker Tai Tagak conferred with the coveted Krishna Chandra Gandhi Award

**Guwahati:** Renowned social worker and advisor to the Chief Minister of Arunachal Pradesh, Tai Tagak has been honored with the prestigious "Krishna Chandra Gandhi Award-2021" by Purvottar Janjati Shiksha Samiti (PJSS).

Guwahati-based Purvottar Janjati Shiksha Samiti is a civic organization working to provide quality education to the tribal communities in the North-East.

The Krishna Chandra Gandhi Award is given by the Purvottar Janjati Shiksha Samiti since 2007, to the person /organization who has provided unique services in the tribal area. The main objective of the Purvottar Janjati Shiksha Samiti is to make education a reality. Vidya Bharati's first school was established as a result of the extensive thoughts, tireless hard work, and dedication of the late Krishna Chandra Gandhi. Late Gandhi Ji made many plans for the promotion of education in the tribal society and forest areas of Northeast India at a rapid pace, and to make them a reality, he traveled several times in the Northeast for the important 25 years of his life. By motivating for charity, he connected the workers and donors and made the society knowledgeable by becoming the torch bearer of education. Since the year 2007, 15 best social workers have been given this award.

The Krishna Chandra Gandhi Award Ceremony was organized by the Purvottar Janjati Shiksha Samiti at Sudarshanalaya, Guwahati. Assam Education Minister Ranauj Pegu was present as

the chief guest at the function. The keynote speakers at the function were Avneesh Bhatnagar, General Secretary, Vidya Bharati Akhil Bhartiya Shiksha Sansthan, New Delhi, Vice-Chancellor of Tripura Central University, President of Vidya Bharati North Eastern Region, Prof. Ganga Prasad Parsain, President of Purvottar Janjati Shiksha Samiti, Sada Dutta and many other dignitaries.

Avneesh Bhatnagar, while giving a speech at the function, said that Vidya Bharati is the world's largest non-government educational institution working without any grant-in-aid. Vidya Bharati has developed the Shishu Vatika education system based on experience. Vidya Bharati works to prepare patriotic citizens while doing the overall development of children through education.

Education Minister Ranauj Pegu said that we should consider what we are doing for the country. He said that the first place of education is home and after that education is imparted from the society. Only after that, education based on textbooks is received in schools. There is a National Education Policy to bridge the gap between social education and the education system based on textbooks. Purvottar Janjati Shiksha Samiti is giving Krishna Chandra Gandhi Award to Karmayogi social workers in the education sector since the last year 2007. Tai Tagak Ji was given a memento, flower pot, books, eri chadar and a cheque of one lakh rupees as a mark of respect. Tai Tagak Ji donated back the amount to the Krishna Chandra Gandhi Foundation.

## Vidya Bharati Uchcha Shiksha Sansthan Sadharan Sabha Held

These types of workshops develop the skills of the students and increase their interest in them.

## PM Unveils Special Painting Made By Vidya Bharati Alumnus at ISB

**Hyderabad:** Prime Minister Narendra Modi unveiled a painting made by Vidya Bharati alumnus Thota Laxminarayana at the Indian School of Business. Thota Laxminarayana is a Vidya Bharati alumnus of the 1989 batch of class 10th of Nirmal Shishu Mandir, Telangana. He made this painting to commemorate the completion of 20 years of the Indian School of Business in Hyderabad. This painting of four feet & five feet depicts 20 years of ISB. Thota Laxminarayana worked tirelessly to complete it in a week. Thota says that he was briefed about those 20 years of achievements which should be visible in the painting.

According to Thota, in this painting mainly yellow and green, a banyan tree with birds and a huge cauldron have been made below. Yellow turmeric is used on all auspicious occasions in Indian households while the green color signifies prosperity in lush green fields with good harvests. Thota says that the banyan tree depicted in the painting is not only considered auspicious but also known for longevity. On the completion of 20 years of ISB, I have depicted 20 beautiful birds in the painting.

## Social Harmony and Meritorious Honor Ceremony

**Praise of virtuous people benefits the whole society: Shreeram Aravkar Ji**

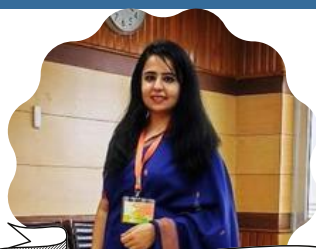

**Karimganj:** Vidya Bharati's Akhil Bharatiya Joint-Organizing Secretary Shreeram Aravkar Ji said that if virtuous people are praised, then the glory of virtue is automatically propagated in the society and this benefits the whole society. In the ceremony, virtuous talents from 74 professions from different sections and people who have made a significant contribution to society were felicitated. In the social harmony and virtuous honor ceremony organized to commemorate the silver jubilee year of Saraswati Vidya Niketan, Shreeram Aravkar Ji said that the chain of 1400 years of subjugation has created many inequalities in our social life.

Caste discrimination arose and the invaders took advantage of these inequalities to mislead Indian society, education, civilization, and culture and left us far behind. He said that even after 74 years of independence, we have not been able to overcome this weakness as a whole. Saints-Mahatmas and many social organizations in the country have worked hard in the past and working hard to eliminate all these social inequalities. Changes have taken place in many cases but in many areas, more efforts are needed. The entire Hindu society has to play a leading role in building a united and harmonious nation based on Indian culture by rising above all differences and tying each other in love and affection. If any society or social institution expresses reverence and respect for virtuous people, then many virtuous and talented people are created in the society. If virtuous are praised, then the glory of virtue is automatically propagated in the society and the whole society is benefited from it.
