NEWS LETTER

Following heavy rains... Call to rebuild schools in Kerala

All have been reading daily news of the deluge following heavy rains in Kerala. 13 of the 14 districts in the state suffered heavy damage, including loss of life.

Several of Vidya Bharati schools were under water for many days. Reports from remote area are still awaited. It is now that the real work for rehabilitation will have to be launched with all seriousness and sincerity.

An appeal from the Vidya Bharati head quarters has been sent to all re-

gional offices, who will further forward this appeal to schools – their teachers, students, parents to provide help. Even the alumni and the community at large have been requested to help.

It has to be ensured that the schools start refunctioning as early as possible.

Vidya Bharati In Kerala

Schools	=	389
Students	=	78,336
Teachers	=	5331

आदरणीय बंधु,

सादर नमस्कार।

केरल में आई भीषण आपदा से आप परिचित ही हैं। प्रकृति के अनंत सौन्दर्य से युक्त अपना केरल वर्तमान में जल-प्रलय की सी स्थिति में है। केरल के 14 जिलों में से 13 जिले लगभग जलमग्न हैं। इनमें से पाँच की स्थिति तो ऐसी है, जहाँ केवल सेना ही पहुँच सकती है।

घर, बड़े भवन सब कुछ जलमग्न है। अनेक बंधु इस विभीषिका में अपने प्राण खो चुके हैं। ढाँचागत व्यवस्था को भारी क्षति पहुँची है। जनजीवन अस्त व्यस्त है, प्राथमिक सुविधाओं का घोर अभाव है। पानी उतरने के बाद फैलने वाली बीमारियों की रोकथाम के लिए कुशल चिकित्सा व्यवस्था बनानी होगी।

केरल में अपने विद्यालयों की स्थिति भी ऐसी ही हैं। 20-25 दिन से पानी में डूबे, सूने विद्यालय भवन उपर्युक्त स्थिति के साक्षी हैं। उनको पुनः ठीक करने के लिए बड़े परिश्रम और धन राशि की आवश्यकता होगी।

विद्यार्थी भैया-बहनों की पढ़ाई के लिए पुस्तकें आदि की व्यवस्था के लिए, कम्प्यूटर आदि अन्य आवश्यक संसाधन नए सिर से जुटाने के लिए, आचार्य भैया, दीदियों की और उनके परिवार की व्यवस्था के लिए, चिकित्सा आदि के लिए एवं अन्य आवश्यक कार्यों के लिए बड़ी धनराशि की अनिवार्य आवश्यकता होगी। इसमें हमारा पूरा सहयोग हो, ऐसा आग्रह है।

इसके लिए सभी क्षेत्र, प्रांतीय समितियों से लेकर विद्यालय प्रबंध समितियों के सदस्यों, प्रधानाचार्यों, आचार्यों, विद्यार्थियों, अभिभावकों, पूर्वछात्रों और समाज के सभी वर्गों का योगदान, आर्थिक योगदान भी सुनिश्चित करने के लिए हमें तत्पर होना होगा।

अपने प्राकृतिक, स्वर्गिक सौन्दर्य के कारण केरल देवताओं का घर कहलाता है। हमारा केरल फिर से वैसा ही भव्य और दिव्य बन जाए, ऐसे सफल प्रयास करने ही होंगे। वहाँ शीघ्र ही सब कुछ ठीक हो, जनजीवन सुचारु हो, विद्यालयों में फिर से पढ़ाई-लिखाई का समुचित वातावरण बने और इस दुःस्वप्न से जगकर एक सहज जीवन-यापन वहाँ हो, इसके लिए हमें जो कुछ करना अपेक्षित है, करें।

सभी सहयोग राशि प्रांत अपने पास मँगा लें। केरल भेजने के लिए विस्तृत जानकारी शीघ्र ही दी जाएगी। पुनः संपूर्ण सहयोग के आग्रह के साथ.....

भवदीय
(ललित बिहारी गोस्वामी)
महामंत्री

Bharatiya Shiksha Shodh Sansthan

The Research & Development Wing of Vidya Bharati

Bharatiya Shiksha Shodh Sansthan, an apex research institute of Vidya Bharati, came into existence in 1980 by the inspiration of Honorable Sri Bhao Rao Devras Ji. It is located at Nirala Nagar, Lucknow. Housed in a three storey building it has a well equipped library, psychology lab, computer lab, conference hall and guest rooms.

Aims and Objectives :-

Accepting Indian culture, philosophy of life as the foundation of children's education and growth of integrated personality, following are the aims and objectives of the Institute -

1. To publish useful literature based on Indian culture, ideals, values and spiritual beliefs, keeping in view the present structure of education.
2. To establish centers in different parts of India for the study of all types of problems related to education.
3. To organize seminars, workshops and symposia with a view to develop mutual cooperation amongst faculty and research scholars.
4. To do all type of work for developing the feeling of unity and brotherhood among all the social groups of the Indian society.
5. To provide facilities for the study of Indian philosophy, psychology, history, sociology and other subjects, and to arrange and publish lectures of eminent scholars of these subjects.
6. To acquire land and construct buildings for the Institute and arrange residential, library and other facilities for visiting researches including arrangement of residence for salaried workers and non salaried officials of the Institute.
7. To provide financial help or scholarship to bright researchers for research and arrange hostel facility for them.
8. To publish journal for educational research articles.
9. To study the social and educational problems for the development of poor, scheduled caste, scheduled tribe and backward class children and children residing in villages and remote areas.
10. To establish harmony between science & spiritualism and on its

basis to offer suggestions for a sound system of education.

11. To make study of Yoga in education comprehensible.
12. To educate students and teachers from any part of the world in Integral education viz. physical, vital, mental, psychic and spiritual.
13. To arrange better library facility for providing knowledge of education psychology, sociology, history, philosophy and other subjects.
14. To study the educational problems of village region.
15. To act as a distribution and information center of research and welfare activities of social bodies and Government agencies working in the field of education.
16. To organize camps for children and youth of the country for education and training.
17. To provide and seek cooperation from other institutes of research and training of states, national and international level working in the field of education and training.
18. To prepare research projects on education, philosophy, Indian culture and other related subjects and submit them to State, National and International level Institutes for financial assistance.
19. All the activities of the institute shall be for the welfare of whole society irrespective of caste, class, region, gender, religion or political beliefs.]

Library

At present the library has approximately 5,000 books on Indian philosophy, psychology, education, and

research methodology along with dictionaries, encyclopedias, journals and survey reports etc. primarily in Sanskrit, Hindi and English. It has a well equipped reading room with reprographic section and audio-visual section. Various newspapers, magazines, periodicals, journals are available.

Laboratories

The psychology and the computer labs are well equipped.

Guidance and Counseling

The Guidance and Counseling cell of the Sansthan helps students in solving their, educational, vocational and personal problems. Salient features are:

- ✦ Help to adjust with school environment.
- ✦ Develop study habits and hobbies.
- ✦ Provide extra help and special care for students with special needs.
- ✦ Solve study related problems, like low scoring, examination pressure etc.
- ✦ Help students in selection of subjects at entry level.
- ✦ Inform students of careers available.
- ✦ Career counseling and vocational guidance through aptitude and personality testing.
- ✦ Counseling for personal and psychological problems.
- ✦ Help those suffering from mental deficiency, depression and suicidal tendency.
- ✦ Help in addressing emotional and behavioral problems.

University of Lucknow and Kanpur have recognised the Institute as a Centre For Research In Education.
